Product Description

Style Fashion Kids Metal And PPSU Optical Eyeglasses LF 2532

Product Description:

The fashion-forward style of these frames will ensure that your child looks great while also being able to see clearly. The unisex design makes it perfect for both boys and girls, and the metal and PPSU material used in the construction of these frames ensure that they are both durable and hypoallergenic.

Our kids eyeglasses product is perfect for parents who are looking for a high environmental protection option for their children. The frames are made from eco-friendly materials that are safe for your child and the environment. The temple length is adjustable, ensuring that these frames can be customized to fit the unique needs of your child.

These children's vision frames are designed to provide maximum comfort and protection for your child's eyes. They are perfect for kids who need to wear glasses all day long, as they are made from lightweight materials that won't weigh down your child's face.
