Product Description

Various Frame Colors Kids' Metal And PPSU Optical Glasses LF 2533

Product Description:

The lightweight design of these glasses makes them perfect for your child's active lifestyle. Weighing only 16.3G, your child won't even notice they're wearing them. They're perfect for running, jumping, and playing without any discomfort.

The polygon shape of these glasses adds a unique touch of fashion to your child's look. They're perfect for children who want to add a little bit of fun and style to their daily outfits.

The temple length of these glasses is adjustable, meaning that they'll fit comfortably on your child's head without slipping or sliding. This feature is especially helpful for children who are always on the move.

Overall, our kids' glasses are the perfect solution for parents who want to provide their children with comfortable and stylish eyewear.
