## Product Description

### Product Description:

The Lion First model is made with a combination of metal and PPSU, providing a sturdy and long-lasting frame that will keep up with your child's active lifestyle.

Not only are these children's vision frames functional, but they are also stylish. The Lion First model features a fashionable design that kids will love to wear. The frames are available in a variety of colors to fit your child's personal style and preferences.

At their core, these kids eyeglasses are designed to be comfortable and functional. The lightweight design ensures that they won't cause discomfort or strain, even after extended periods of use. The Lion First model is also designed to fit a wide range of face shapes and sizes, providing a comfortable and customizable fit for your child.

Investing in quality children's vision frames like the Lion First model is an investment in your child's vision health.
