The non-slip temples ensure that the eyeglasses stay on your child's face, even during physical activity. The silicone nose pads provide extra comfort for your child's nose, preventing any discomfort or irritation.

These eyeglasses are not only stylish and comfortable, but they also prioritize safety and toughness. The frame is made with high-quality materials that are durable and long-lasting. Your child's safety is our top priority, which is why we have designed these eyeglasses to be both safe and tough.
