## Product Description

### Antiskid Fashion Cute Kids Optical TR And Silicone Frames LF 2149

#### Product Description:

The LF 2149's full-rim frame is ideal for active kids as it provides extra durability and protection against accidental drops or bumps. The adjustable temple length allows for a custom fit to ensure that the glasses are securely fixed on the child's face without causing any discomfort.

Our LF 2149 children's glasses are unisex and are a great choice for both boys and girls. The fashion-forward design of these glasses is sure to appeal to any young fashionista, while the sleek and classic look will also satisfy those who prefer a traditional style.

LF 2149 children's glasses are made of skin-friendly material. We understand that children's skin is delicate, which is why we make sure that only the highest quality materials are used in the manufacture of these glasses.
