Product Description

Stylish Rectangle Shape TR90 Full Rim Unisex Glasses Frame D246

Product Description:

The frame is made of TR 90 material, which is known for its flexibility, durability, and resistance to deformation. This feature makes it an ideal frame for everyday use as it can withstand the wear and tear of daily use. It is not easy to deform, which ensures that the frame's original shape is maintained over time.

The temple length of the TR 90 frame is adjustable, making it easy to customize the fit. This feature ensures that the frame fits comfortably behind the ears, preventing discomfort or slippage.

The frame is also environmentally friendly, making it an ideal choice for those who are conscious of the impact their choices have on the environment. The TR 90 material is made of a thermoplastic material that is recyclable, making it an eco-friendly option.

The TR 90 frame's model number is D246 and is available in a variety of colors, making it easy to find a frame that suits your style.

Overall, the TR 90 frame is an excellent choice for those who are looking for a lightweight, durable, and environmentally friendly frame.
