Product Description

Product Description:

The TR 90 frame comes in various colors to suit different styles and preferences, so you can choose the color that best suits your taste. This unisex frame has a rectangle shape, which is a classic and timeless design that looks great on any face shape and size. The TR 90 material used in this frame is a high-quality thermoplastic material that is known for its durability and flexibility. It is impact-resistant and can withstand wear and tear, making it a safe and reliable option for daily use. The material is also hypoallergenic, so it is gentle on sensitive skin.

In summary, the TR 90 frame, model 6301, is a lightweight, safe, and durable option for those looking for a stylish and reliable eyewear solution. With its unisex design, various color options, and classic rectangle shape, it is a versatile choice that is suitable for anyone.
