Product Description

Product Description:

One of the unique features of this product is its environmental protection attribute. TR 90 is a type of material that is environmentally friendly and can be recycled. This makes the 6303 model a great choice for individuals who are conscious of the impact their purchases have on the environment.

The 6303 model is versatile and can be worn in various occasions and scenarios. Whether it's for professional or casual wear, this frame will fit right in. The plain frame design gives it a simple and elegant look, making it suitable for formal occasions such as business meetings or job interviews. It can also be worn for casual occasions such as outings with friends or family.

In summary, Kraink's TR 90 full-rim frame product, model 6303, is a durable, lightweight, and environmentally friendly frame that can be worn in various occasions and scenarios. Its plain frame design make it a simple yet elegant choice. Get yours today and experience the comfort and style that comes with the 6303 model.
