Product Description

Product Description:

The TR 90 frames come in various colors that are sure to complement any outfit. Whether you're looking for something classic and understated, or bold and eye-catching, we've got you covered. These frames have been designed with the latest fashion trends in mind and are sure to make you look like an internet celebrity model.

One of the best things about these frames is that they are made from TR material, which is known for its strength and flexibility. This means that they are not easy to deform and will last for years to come. This is especially important for those who lead an active lifestyle and need frames that can keep up with them.
