Product Description

Product Description:

One of the standout features of our metal frame product is the option to customize it with your own logo. We are happy to accept and print customer's logos on the frames, making them the perfect promotional item for businesses or organizations. Not only do they look stylish, but they also serve as a marketing tool.

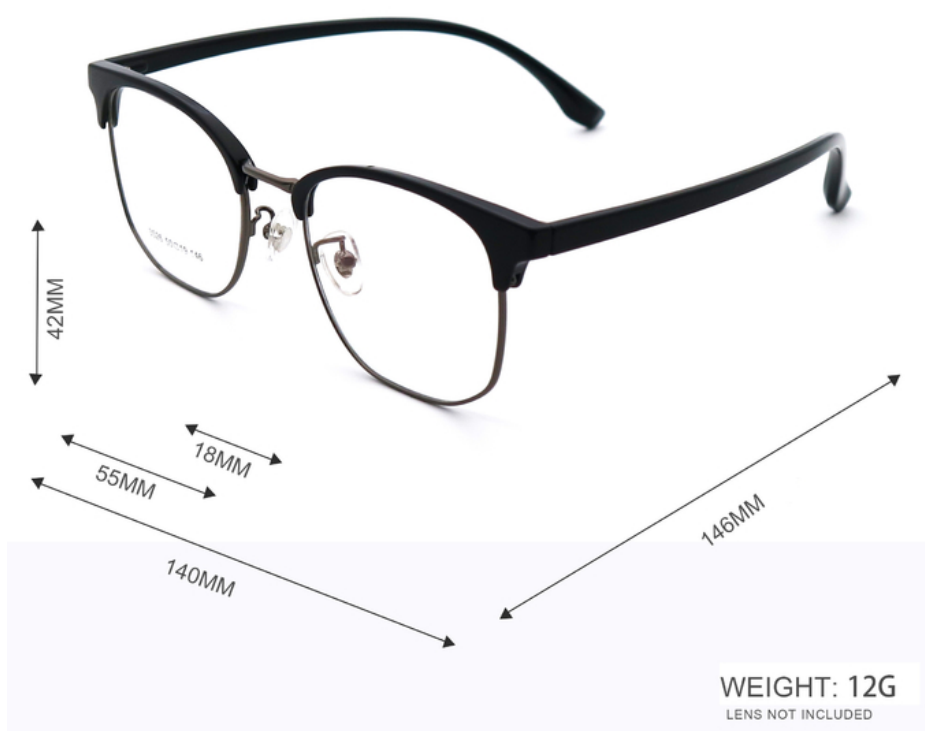

The half frame design provides a sturdy and secure fit, ensuring that your glasses stay in place throughout the day. This design also offers great versatility and can be paired with a variety of different outfits and styles.

Our metal frame product is available in various sizes, ensuring that there is a perfect fit for everyone. We understand that not all faces are the same size, so we offer a range of sizes to accommodate every customer's needs.

Overall, our metal frame product offers a classic and timeless look with the added benefit of customization and versatility. The high-quality TR+ Plain Metals ensure that these frames will last for years to come, making them a great investment for anyone in need of stylish and durable eyewear.
