Product Description

Product Description:

One of the standout features of this frame is its adjustable temples. This means that you can adjust the length of the temples to fit your unique head shape and size. This ensures that your eyeglasses will stay securely in place, even during the most active of activities.

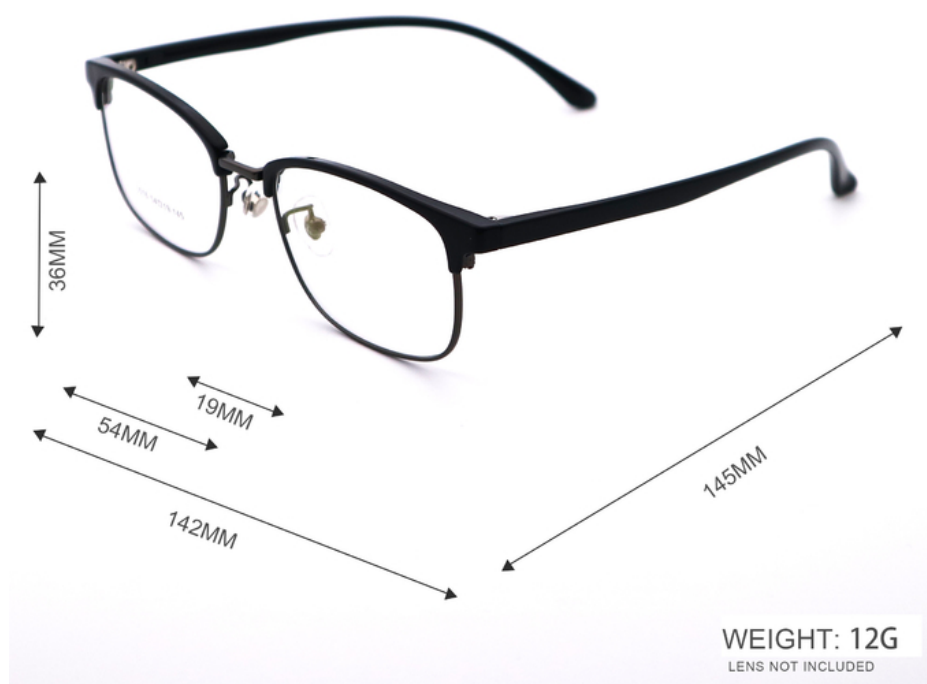

The adjustable temples are just one of the many features that make this metal frame eyeglasses a great choice for anyone looking for a reliable and comfortable eyewear solution. Another great feature is the eyebrow bracket, which helps to keep the eyeglasses securely in place on your face, even if you are sweating or moving around a lot.

Whether you are using these eyeglasses for reading, working on a computer, or just as a fashion accessory, you can rest assured that they will meet all of your needs. The lightweight design ensures that you won't even notice that you are wearing them, while the adjustable temples and eyebrow bracket ensure that they will stay securely in place all day long.

In conclusion, if you are in the market for a new pair of eyeglasses, then look no further than our metal frame eyeglasses with model number 3516. With their lightweight design, adjustable temples, and eyebrow bracket, you can't go wrong with this stylish and comfortable eyewear solution.
