Product Description

CR-39 1.49 HMC EMI Optical Lens White Optical Single Vision Lenses

Product Description:

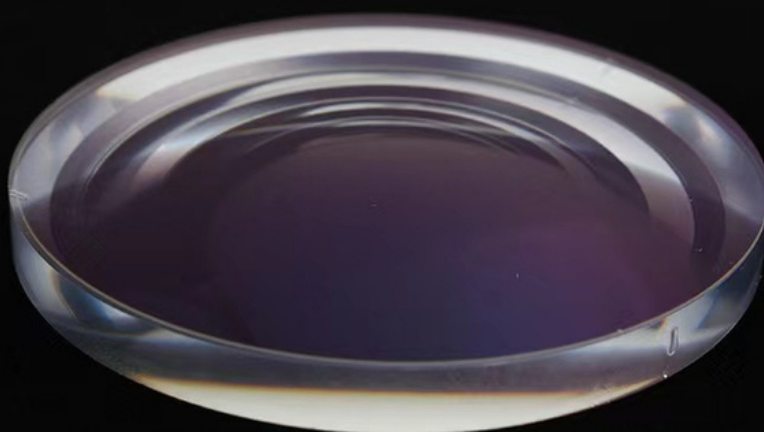

One of the key features of our 1.49 Aspheric Lens is its HMC+EMI coating, which provides superior scratch resistance and durability. This coating is designed to protect your lens from everyday wear and tear, ensuring that your vision remains clear and crisp for as long as possible. And with its green color, this coating adds a stylish touch to your lenses that will help you stand out from the crowd.

Our 1.49 Aspheric Lens is available in a wide range of prescriptions, making it an ideal choice for anyone who needs a single vision lens product. Whether you have a mild or severe prescription, our lens is designed to provide you with the clearest, most accurate vision possible, so you can enjoy your day-to-day activities without any visual discomfort or distortion.

So if you're looking for a reliable and high-quality single vision lens product, be sure to check out our 1.49 Aspheric Lens. With its advanced features and superior performance, this lens is the perfect choice for anyone who demands the very best in visual clarity and precision.
