## Product Description

### 1.59 AR Coating PC Progressive Single Vision Lens With Impact

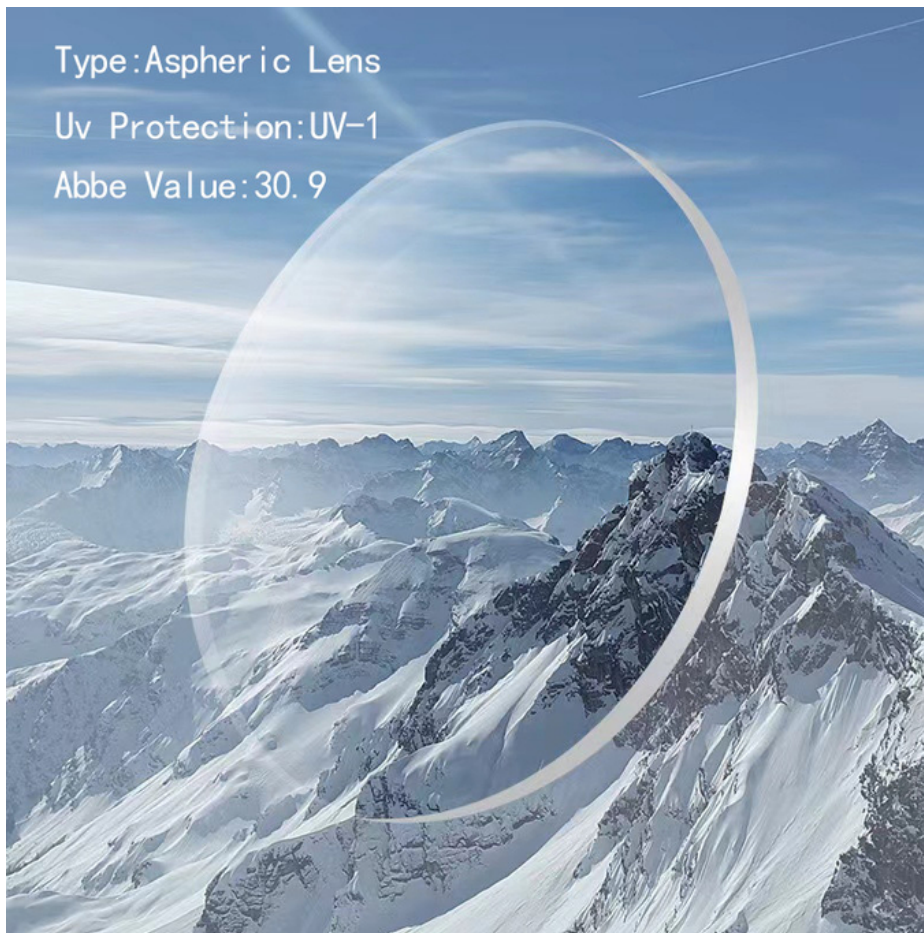

#### Product Description:

Our SINGLE VISION LENS is designed to provide clear and accurate vision, no matter what your prescription might be. Whether you need a lens for nearsightedness, farsightedness, or astigmatism, our single vision lens is the ideal choice. With its advanced design and superior materials, you can trust our single vision lens to provide you with the clear and sharp vision you need to tackle your daily tasks with confidence.

One of the key benefits of our SINGLE VISION LENS is its exceptional impact resistance. Made from strong and durable materials, this lens can withstand even the most challenging environments, ensuring that your vision remains clear and accurate no matter what.

Whether you work in a high-impact environment or simply want a lens that can withstand everyday wear and tear, our single vision lens is the perfect choice.
