## Product Description

### High-quality Popular Designer Pure Titanium Optical Frames 88284

#### Product Description:

In terms of design, this frame fully demonstrates the combination of sophistication and fashion. Whether it is the smoothness of the lines or the overall shape, it reveals a simple yet elegant beauty. Whether it's for everyday wear or for an important occasion, it's easy to navigate. Weighing only 11.6 grams, the frame barely feels any pressure on the bridge of the nose. The lightweight material and careful design allow the wearer to wear it for long periods of time without discomfort.
