Product Description

Ultra Light Full Frame Beta Titanium Glasses ZTO 116 Unisex

Product Description:

The beta titanium frame of these glasses is incredibly lightweight and durable, making them suitable for everyday wear. They are also corrosion-resistant, ensuring that they will last for years without rusting or tarnishing.

The ZTO 116 model features a rectangular shape that is both versatile and timeless. The 52-18-145 size is designed to fit most face shapes and sizes, making them a great choice for both men and women.

These titanium frame glasses are ideal for those who want a retro look with modern materials. The classic rectangular shape and literature and art inspired design make them the perfect accessory for any outfit.
