## Product Description

### Personalized Design Style 88287 Pure Titanium Acetate Eyeglasses

#### Product Description:

With a model number of 88287, these glasses are perfect for both men and women, as they are designed to be unisex. The sleek design of these glasses will complement any outfit, and the various colors available make it easy to find the perfect pair to suit your personal style.

Our pure titanium spectacles are incredibly lightweight, weighing in at only 12G. You'll forget you're even wearing them, making them ideal for all-day wear. The full rim frame type provides extra support for the lenses, ensuring that your glasses will stay in place no matter what.

But what really sets our pure titanium eyeglasses apart from the rest is the material they are made from. Pure titanium is incredibly strong and durable, meaning that your glasses will last for years without losing their shape or becoming damaged.

Not only that, but pure titanium is also hypoallergenic, making these glasses ideal for those with sensitive skin. They are also resistant to corrosion, ensuring that they will maintain their beautiful appearance for years to come.

Investing in a pair of our pure titanium optical frames is a smart choice for anyone in need of high-quality spectacles. With their stylish design, lightweight feel, and durable construction, these glasses are sure to become your go-to pair for years to come.
