Product Description

Personalized Design Style 88298 Polygons Full Rim Titanium Glasses

Product Description:

One of the standout features of these glasses is their weight. At only 10G, they are incredibly lightweight, making them comfortable to wear for extended periods. This is due to the use of pure titanium frames, which are known for their strength and lightness. These frames are also hypoallergenic, making them ideal for those with sensitive skin.

The pure titanium optical frames are complemented by acetate temples, which add a touch of style and elegance to the glasses. The acetate material is known for its durability and flexibility, ensuring that the glasses can withstand daily wear and tear. Additionally, the glasses come in various colors, giving you the option to choose the one that best suits your personal style.

Overall, these pure titanium glasses are an excellent choice for anyone who wants a high-quality, lightweight, and durable pair of glasses. The combination of pure titanium frames and acetate temples ensures that the glasses are both strong and stylish, making them a great addition to any outfit. So why wait? Try out these pure titanium optical frames today and experience the comfort and style they offer!
