Product Description

12G Full Rim Frame Pure Titanium Acetate Glasses Model 88300

Product Description:

These pure titanium eyeglasses come in a unisex design, making them suitable for both men and women. They feature an adjustable temple, which ensures a secure and comfortable fit for all head sizes. The temple can be easily adjusted to fit your head size without compromising on style and comfort.

The model number for these pure titanium frames is 88300. They have a lens width of 50mm, a bridge width of 18mm, and a temple length of 145mm. This makes them an ideal fit for people with small to medium-sized faces.

When it comes to eyewear, nothing beats the quality and durability of pure titanium frames. These frames are corrosion-resistant, making them resistant to rust and other forms of damage. They are also hypoallergenic, making them a great option for people with sensitive skin.

In conclusion, if you are looking for a high-quality, lightweight, and durable eyewear solution, then these pure titanium glasses are a great option to consider. They come in a range of colors and feature an adjustable temple for a comfortable and secure fit. So, go ahead and add them to your cart today!
