Product Description

Rectangular Pure Titanium Glasses 12G Adjustable Temple 88302

Product Description:

The full rim frame type offers maximum durability and protection for your lenses. The pure titanium material used in the construction of these glasses makes them incredibly lightweight at just 12G, ensuring that you can wear them for extended periods without experiencing any discomfort or fatigue.

The frame shape of these glasses is rectangular, which is a timeless and classic design that has been popular for many years. It is a versatile shape that suits all face shapes and sizes, making it a unisex style that can be worn by both men and women.

Our pure titanium eyeglasses are not only stylish, but they are also incredibly durable and long-lasting. Pure titanium is a premium material that is known for its excellent strength and corrosion resistance. This means that your glasses will stay in excellent condition for many years to come, even with regular use.

Overall, if you are looking for a pair of eyeglasses that are both stylish and practical, then the pure titanium glasses are an excellent choice. With their personalized design style, full rim frame type, lightweight construction, and rectangular frame shape, they are the perfect accessory for anyone who wants to look and feel great.
