Product Description

Product Description:

The beta titanium material used in the frames makes them incredibly light, so you can wear them all day without any discomfort. The ip-plating also adds to the durability of the glasses, ensuring that they will last for years to come. The 52-19-145 size is perfect for both men and women, making these glasses a great unisex option. Whether you're using them for work or play, the ZTO 1001 beta titanium glasses are a reliable and stylish choice. Don't settle for anything less than the best when it comes to your eyewear needs. Get yourself a pair of these glasses today and see the difference for yourself!
