## Product Description

### Product Description:

$\beta$  titanium glasses are made with high-quality materials, including  $\beta$  titanium and TR, ensuring durability and comfort. The TR frame is lightweight and flexible, making it easy to wear for long periods of time without causing any discomfort.  $\beta$  Titanium is used as a material for the temples to provide a comfortable grip and ensure that the glasses are securely fixed on your face.

The glasses come in a size of 51-18-145 and are perfect for most face shapes and sizes. With this perfect size, these vintage-style glasses are a great choice for anyone who wants a classic look.

The Beta Titanium Glasses are perfect for those who want to look stylish and trendy. They are perfect for anyone who wants to make a statement with their eyewear. With their classic design, these glasses are perfect for anyone who loves the retro style. They are also a great choice for anyone who wants a comfortable and durable pair of glasses that will last for years.
