Product Description

Product Description:

Made with premium quality Beta Titanium+TR material, these glasses are built to last. The full frame design provides extra support and ensures that the glasses stay securely in place. The material is also light, making these glasses comfortable to wear for extended periods of time.

These glasses are unisex, making them the perfect choice for anyone looking for a stylish and durable pair of glasses. The 51-19-145 size is a great fit for most face shapes.

Whether you're looking for a new pair of glasses for work or for everyday use, our Beta Titanium Glasses are the perfect choice. So why wait? Order your pair today and experience the perfect combination of style and durability!
