### Product Description

#### Product Description:

One of the key features of these glasses is the adjustable temple, which allows for a personalized fit that is comfortable for all-day wear. The temple is made from high-quality beta titanium, which is both lightweight and durable, so you can rest assured that your glasses will last for years to come. 50-18-145 size, making them the perfect fit for any face shape or size. This ensures that you get a comfortable fit that doesn't slide down your nose or cause discomfort behind your ears.

The glasses are part of the ZTO 2103 model, which has become a popular choice among those who appreciate literature and art. These glasses are the perfect complement to any outfit, whether you're dressed up for a night out or dressed down for a casual day at work. With their retro design and modern technology, they are sure to become a staple in your wardrobe.
