Product Description

Product Description:

The Beta Titanium Glasses come with adjustable temples that ensure a comfortable fit for everyone. The temples are made of high-quality materials that provide durability and flexibility. With the adjustable temples, you can easily adjust the glasses to fit your head perfectly.

The glasses are incredibly lightweight, weighing only 10 grams. This makes them comfortable to wear for long periods without experiencing any discomfort. The Beta Titanium Glasses are perfect for those who are always on the go and need glasses that won't weigh them down.

The frame of the Beta Titanium Glasses is made of Beta Titanium+TR. This material is known for its strength, durability, and flexibility. The frame is designed to withstand daily wear and tear, making it a perfect choice for those who want long-lasting titanium frame glasses.
