## Product Description

### Product Description:

The Beta Titanium Glasses features a full frame design that provides a secure and comfortable fit for your face. The frame is made from a high-quality titanium material that is known for its durability and strength. The titanium frame is also lightweight, making it easy to wear for extended periods without causing any discomfort or irritation.

The temple of the Beta Titanium Glasses is adjustable, which allows you to customize the fit of the glasses to your individual needs. This feature is particularly useful for individuals who have a hard time finding glasses that fit their face properly.
