Product Description

Product Description:

The Beta Titanium material used in these glasses is known for its strength and flexibility, making it the ideal choice for eyewear. It is also extremely lightweight, making it comfortable to wear for extended periods of time. The TR material used in the frame adds an extra layer of durability, ensuring that your glasses will last for years to come.

But these glasses aren't just about function - they're also a work of literature and art. The design of the ZTO 1011 model is sleek and modern, with clean lines and a minimalist aesthetic. The various colors available allow you to choose the perfect pair to match your personal style.
