## Product Description

### Product Description:

The Beta Titanium Glasses are unisex, which means that they can be worn by both men and women. These glasses are perfect for people who want to look stylish and trendy. The full frame of the glasses is made of titanium, which makes them ultra-lightweight and durable. The titanium frame of the glasses is also ip-plated, which adds to the style of the glasses.

The temple of the Beta Titanium Glasses is adjustable, which means that you can adjust them according to your comfort level. The adjustable temple also ensures that the glasses fit perfectly on your face. The Beta Titanium Glasses are perfect for people who want glasses that are comfortable to wear and do not slip off their face.
