Product Description

Product Description:

The Beta Titanium Glasses weigh only 10G, making them incredibly lightweight and comfortable to wear for extended periods of time.

You won't have to worry about any discomfort or strain on your nose or ears with these glasses.

These glasses come in a full frame design, providing maximum protection for your eyes. The titanium frame ensures that these glasses are durable and long-lasting. You won't have to worry about your glasses breaking or bending out of shape with everyday wear and tear. The Beta Titanium Glasses are designed for the internet celebrity young style - perfect for those who want to make a statement with their glasses. These glasses are available in various colors, so you can choose the perfect pair to match your personality and style.
