Product Description

Product Description:

Beta Titanium is the perfect material for these glasses, as it is strong, durable, and corrosion-resistant, yet incredibly lightweight. The TR material used in the frames adds to their strength and durability, making them the perfect choice for everyday wear.

Available in various colors, these glasses are sure to match any outfit and style. Whether you're looking for a classic black frame or something a bit more colorful, there's a pair of ZTO 1010 Beta Titanium Glasses for you.

These glasses are the epitome of style and functionality, making them a must-have for anyone who wants to look good while also protecting their eyes. The Beta Titanium material used in these glasses is incredibly light, so you won't even know you're wearing them.
