Product Description

Product Description:

The rectangle shape of these glasses is a classic style that will never go out of fashion. It's a shape that's been popular for decades, and it's easy to see why. The simple, clean lines of the rectangle shape make it a versatile choice that can be worn by anyone, regardless of their face shape or personal style.

One of the standout features of our Beta Titanium Glasses is the adjustable temple. This allows you to customize the fit of the glasses to your own unique head shape. Whether you have a narrow or wide head, you can rest assured that these glasses will fit comfortably and securely.

Of course, when it comes to eyewear, style is important, and our Beta titanium glasses don't disappoint in this regard. We offer glasses in a variety of colors, so you can choose the ones that best suit your personal style. From classic black to trendy ice blue, there's a color for everyone.
