## Product Description

### Product Description:

The adjustable temple feature allows for a customizable fit, ensuring that the glasses stay secure during physical activities. These glasses come in a variety of colors that are sure to complement any outfit.

The rectangular shape of the frame adds a touch of literature and art to the overall design. This timeless shape has been a favorite among fashion icons for decades, making it a classic choice for those who want to stand out in a crowd.

These glasses are not only fashionable but also practical. The Beta Titanium material makes them lightweight, which means you can wear them for extended periods without feeling any discomfort. They are perfect for people who are always on the go and need a reliable pair of glasses that can keep up with their active lifestyle.
