Product Description

Product Description:

The frames are made from beta titanium, a lightweight and durable material that ensures the glasses are comfortable to wear for extended periods. The lightweight design is perfect for those who wear glasses all day, as it reduces the strain on the nose and ears. The glasses come in a variety of colors, making it easy to find a pair that matches your personal style. Whether you prefer classic black or a bold pop of color, there is a pair of Beta Titanium Glasses to suit your needs. The unique color options allow you to express your personality and individuality.

The glasses feature a 50-18-146 size, ensuring a comfortable and secure fit for any face shape. The adjustable nose pads ensure that the glasses fit snugly without slipping, providing a comfortable fit for extended periods.
