Product Description

Product Description:

At only 12G, these glasses are lightweight and comfortable for all-day wear. The frames are made from a combination of beta titanium material, ensuring durability and flexibility.

The retro-inspired design of these glasses is accented by the trendy ip-plating on the frame, adding a touch of modernity to the classic shape. The ip-plating also provides a layer of protection against wear and tear, keeping your glasses looking new for longer.

Whether you're heading to work or out with friends, these Beta Titanium Glasses are the perfect accessory to complete any outfit. Their unique design and high-quality materials make them a must-have for anyone looking to make a statement.
