Product Description

Product Description:

The Beta Titanium Glasses come in a full frame shape, which is perfect for those who prefer a classic look. The rectangular shape adds a touch of Retro to the design, making them a great addition to any wardrobe. The glasses come in a size of 52-17-142, which is a great fit for most face shapes and sizes.

One of the key features of these glasses is their weight. At only 12G, they are extremely lightweight and comfortable to wear for long periods of time.

The model number for these glasses is ZTO 3028. This model has been carefully crafted to ensure that it meets the highest standards of quality and design. The frame has been designed to be both stylish and durable, ensuring that these glasses will last for years to come.

Overall, the Beta Titanium Glasses are an excellent choice for anyone who wants a stylish and durable pair of glasses. With their classic shape, Retro design, and lightweight frame, they are perfect for anyone who appreciates the combination of literature and art in their style. So why wait? Order your Beta Titanium Glasses today and start enjoying the benefits of quality eyewear!
