## Product Description

### Product Description:

The full-rim frame design provides a classic look that never goes out of style. The frame is sturdy and durable, making it an excellent choice for everyday wear. Weighing only 13 grams, these glasses are comfortable to wear for extended periods of time. Pure titanium is known for its strength and resistance to corrosion, making it an excellent choice for eyeglass frames. These pure titanium optical frames are hypoallergenic, making them suitable for people with sensitive skin. Our pure titanium spectacles are designed to provide excellent vision correction while maintaining a stylish look. The frames are easy to adjust, ensuring a comfortable and secure fit. The glasses are compatible with a wide range of prescription lenses, making them a versatile choice for anyone looking for a reliable and fashionable pair of glasses.
