Product Description

Product Description:

Made from pure titanium, these frames are not only lightweight and durable but also hypoallergenic, making them a great choice for those with sensitive skin. The 53-16-152 size ensures a comfortable fit for most face shapes, and the adjustable nose pads allow for a customized fit.

Investing in a pair of pure titanium optical frames is a smart choice for your eyewear needs. Not only are they stylish and comfortable, but they are also built to last. Pure titanium is known for its strength and resistance to corrosion, making these frames a durable choice for everyday wear.

Upgrade your eyewear game with the Model 836 pure titanium frames. Their modern design and high-quality material make them the perfect addition to any wardrobe.
