Product Description

Product Description:

Our pure titanium optical frames are perfect for individuals who are looking for a lightweight and durable option that can withstand daily wear and tear. Adjustable temples make these glasses more comfortable and give you a fit tailored to your unique needs.

Available in a variety of colors, these pure titanium optical frames are perfect for those who want to add style and personality to their glasses. Whether you prefer classic frame colors like black or gold, we have the perfect eyewear for you.

The full rim frame type provides additional support and protection for your lenses, ensuring that they remain in place even during the most rigorous activities. This makes these pure titanium glasses perfect for individuals who lead an active lifestyle or who work in a high-impact environment.
