Product Description

Product Description:

The acetate Glasses are made with a full frame, ensuring maximum sturdiness and protection for your eyes. The frame is made of acetate, making them lightweight and comfortable to wear for long periods of time. The retro wood grain design gives these glasses a unique and timeless look that will never go out of style.

Our acetate Glasses also come with adjustable temples, allowing you to customize the fit to your exact preferences. The 51-20-142 size is perfect for most face shapes, providing a comfortable and snug fit that won't slip or slide during wear.

Whether you're out for a stroll on the beach or attending a formal event, the acetate Glasses are the perfect accessory to complete your look. Their unique design and high-quality construction make them a must-have for anyone who wants to look and feel their best.
