Product Description

Product Description:

The glasses are designed with a full frame to provide maximum support and protection for the lenses. These glasses come in a size of 55-17-145, which fits perfectly for most face shapes and sizes. The frame is made of titanium, which is a premium material that is durable and easy to maintain. This ensures that the glasses can be used for a long time and retain their elegance for years to come. The Beta Titanium Glasses Model ZTO 2166 is designed to take you back in time with its retro look. These glasses are perfect for people who love vintage style and want to add a touch of elegance and sophistication to their wardrobe. Not only are these glasses powerful, but they are also sleek and stylish, making them the perfect accessory for any outfit.
