Product Description

Product Description:

The Model ZTO 126 Beta Titanium Glasses are not only stylish and durable, but they are also incredibly light. The titanium frame glasses are designed to be comfortable to wear for long periods, so you don't have to worry about any discomfort or irritation. The glasses are perfect for those who are always on the go and need a reliable and comfortable pair of glasses.

In addition to their comfort and durability, the Model ZTO 126 Beta Titanium Glasses are also coated with ip-plating. This coating provides an additional layer of protection for the glasses, ensuring that they will remain scratch-free and looking new for years to come. The ip-plating also adds a touch of style and elegance to the glasses, making them stand out from the rest.

The Model 118 Beta Titanium Glasses come in a size of 50-20-148, which is a perfect fit for most face sizes. This means that you don't have to worry about the glasses being too tight or too loose, as they will fit comfortably on your face. The glasses are also available in a variety of colors, so you can choose the one that best suits your style.
