Product Description

Product Description:

The Beta Titanium Glasses are available in various colors, so you can pick the one that suits your personality the best. The multi-color fashion design of the glasses is perfect for those who want to add a touch of style to their wardrobe.

The glasses come with a size of 48-19-145, which makes them suitable for individuals with different face shapes and sizes. The glasses are lightweight and comfortable to wear, which means you can wear them for long hours without any discomfort.

The Beta Titanium Glasses are designed to be durable and long-lasting. The titanium frame of the glasses is strong and can withstand regular wear and tear. The glasses come with a model number of 122, which makes it easy for you to identify them.
