Product Description

Business Simplicity Lightweight Beta Titanium Rectangle ZTO 131

Product Description:

One of the standout features of these glasses is their lightweight construction. Made from beta titanium, they are incredibly light and comfortable to wear for extended periods of time. This makes them an ideal choice for anyone who wants glasses that are both stylish and practical.

These glasses are available in a size of 49-18-148, making them a great choice for a wide range of face shapes and sizes. The beta titanium frame is also extremely durable, ensuring that your glasses will last for years to come.

Overall, if you're looking for a pair of lightweight, stylish, and durable glasses with a retro vibe, our beta titanium frame glasses are the perfect choice. Whether you wear them to work, school, or out on the town, they are sure to make you look and feel your best.
