Product Description

Product Description:

The Beta Titanium Glasses come in a variety of colors, so you can choose the one that best suits your style. The multi-color fashion design of these glasses makes them a unique and eye-catching accessory that will complement any outfit. Whether you prefer classic black or a bold pop of color, there is a pair of Beta Titanium Glasses that will suit your taste.

The glasses are available in the size of 50-18-145, so you can ensure that they will fit you comfortably. The size is perfect for those who want a snug and secure fit that won't slip or slide off their face. The glasses are also designed with ip-plating, which gives them a sleek and modern look that will never go out of style.

Overall, the Beta Titanium Glasses are a great investment for anyone who wants a pair of glasses that are both stylish and durable. The titanium frame glasses are built to last, and their ip-plating design adds a touch of sophistication to any outfit. Whether you need glasses for reading, driving, or just everyday wear, the Beta Titanium Glasses are the perfect choice.
